Allie – [Ally@horsebackride.com](mailto:Ally@horsebackride.com) Suzanne – [Suzanne@horsebackride.com](mailto:Suzanne@horsebackride.com)

Pony Club teaches the fundamentals of horsemanship and horse management. It supplements the lesson program at Jamaica Bay Riding Academy. The Pony Club meetings are geared toward everything you must know in order to own a horse. The weekend meetings will be part in-class learning, and part hands-on activity. Parents are expected to participate in the Pony Clubbers education by discussing reading. In order to attend the D-3/C-1 class you must present your USPC pin that you received in the mail.
